Dear Policyholder

Policy Number: «Policy_No»
Your financial adviser: «AgentName»
Region designation: UAE Onshore policyholder

Notification regarding the underlying fund of Friends Provident International Limited ("FPIL") mirror fund - L14 HSBC Russia Equity (the Affected Mirror Fund)

We are writing to you as your policy or contract holds units in the FPIL Affected Mirror Fund listed above.

The Affected Mirror Fund directly invests into the *HSBC Global Investment Funds - Russia Equity* (the "Underlying Fund"), a sub-fund of HSBC Global Investment Funds ("HGIF"). The Underlying Fund has been suspended since 1 March 2022, following Russia's invasion of Ukraine and the subsequent imposition of international sanctions on Russian companies and individuals. As we advised in our notification of 2 March 2022, your units in the Affected Mirror Fund were therefore also suspended.

Our further communication dated October 2025 advised that the board of HGIF (the "Board") made the decision to liquidate the Underlying Fund (the "Underlying Fund Liquidation"), which was triggered on 30 July 2025 (the "Underlying Fund Liquidation Date").

The Underlying Fund's net-assets comprised two portions, being (i) the liquid assets mainly comprised of cash held by the Underlying Fund (the "Underlying Liquid Assets") and (ii) the Russian securities held by the Underlying Fund (the "Underlying Russian Assets"). Initially the Underlying Fund Liquidation only involved the disposal of the Underlying Liquid Assets and did not automatically involve the disposal of any of the Underlying Russian Assets, owing to their lack of liquidity as a result of sanctions.

An initial distribution from the Underlying Fund Liquidation was made in respect of the Underlying Liquid Assets. This was applied to in force policies by way of a unit allocation in August 2025, calculated on a pro-rata basis, based on the units holding in the Affected Mirror Fund as at the Underlying Fund Liquidation Date.

Distribution from the Underlying Fund to policyholders of the Affected Mirror Fund

The Board has notified us that they have been able to sell a further security as the result of a corporate action, and a further distribution payment of Underlying Liquid Assets has been made accordingly (the "Ad-Hoc Liquidation Distribution").

Following receipt by FPIL of the Ad-Hoc Liquidation Distribution, we have calculated the amount to be allocated to your policy or contract on a pro-rata basis, proportionate to your unit holding in the Affected Mirror Fund. **This allocation has been applied to your policy or scheme by way of a unit allocation with effect 11 November 2026.**

Because the Underlying Fund remains suspended to redemption and switch-out requests, the Affected Mirror Fund also continues to be suspended and zero priced. The unit allocation has therefore been applied to **J42 JPM USD Money Market VNAV** (the "Default Mirror Fund"), which is now known as **Q11 JPM USD Money Market VNAV**, following the UAE Onshore policyholder segregation of assets which occurred on 16 November 2026. Please refer to the enclosed Appendix for information regarding the Default Mirror Fund.

As disclosed in the Terms and Conditions, your policy can currently hold up to a maximum of 10 funds. Where a policy already holds the maximum permissible 10 funds, the allocation has instead been applied to the mirror fund holding on your policy with the highest value.

Whilst appropriate due diligence has been carried out on the Default Mirror Fund, we do not accept any liability for the future performance of this, or any other FPIL fund. This allocation has happened automatically within your policy or contract, and you do not need to take any action.

Future of the Underlying Fund and impact on the Affected Mirror Fund

HSBC Asset Management (the "Underlying Fund Investment Manager") will continue to monitor the remaining assets of the Underlying Fund, which continue to be impacted by the ongoing Ukraine conflict and sanctions. The Underlying Fund Investment Manager will seek to dispose of these assets at the next suitable opportunity and to return the net proceeds to unitholders, whether by further interim distributions or otherwise, until such time as all remaining assets have been sold. FPIL will contact affected policyholders with further information as and when the Underlying Fund Manager provides such updates.

HGIF confirm communications in relation to the Underlying Fund will be sent at least annually, and on an ad-hoc basis if there is a material change in circumstances, or if some/all of the Underlying Russian Assets have been sold. FPIL will contact affected policyholders with further information as and when HGIF provide such updates regarding the Underlying Fund and the remaining Underlying Russian Assets.

The notional units of the Affected Mirror Fund that you hold will remain unchanged and are expected to remain unchanged until further notice. The Affected Mirror Fund will continue to be valued at zero and suspended to redemption and switch-out requests.
